

I want to expand our expertise, not our overhead.

No matter its size, your business needs new ways to boost efficiency while using existing technology and available resources. The increasing obligations placed on tax departments only add to this demand.

Fixed Asset Outsourcing Services

Red Moon Solutions will assume your fixed asset duties, allowing you to focus on critical or strategic tasks. Our Fixed Asset Outsourcing Services include:

- Import of your fixed asset data--such as additions, dispositions, transfers, etc. on a regularly scheduled basis.
- Delivery of fixed asset reports necessary to complete your quarterly provision, estimates and annual tax compliance.
- Year-end reconciliation and closing.

Optional services include:

- 24/7 access to your fixed asset data online at our data center.
- Special projects necessary to meet your tax department's needs, including additional reports, property tax information and state apportionment.
- Projections, planning and "what if" scenarios with associated reports.

Benefits:

- Benefit from our vast product and technical expertise.
- Reduce reliance on IT support.

“The customer support team is second to NONE! They are always responsive, pleasant, helpful, efficient and prompt.”

– Minerals Technologies, Inc.

- Create free time to work on more value-added activities.
- Documented process and procedures to support Sarbanes-Oxley.
- Eliminate need for re-training with turnovers.

Getting Started is Easy:

- Select the service package that meets your needs.
- Provide your data on a pre-determined schedule.
- Receive reports needed to support your fixed asset requirements.
