Red Moon Solutions LLC® Announces Acquisition of Three Vertex Inc. ® Products

Red Moon Solutions LLC Acquires Fixed Assets Manager, Like-Kind Exchange Matching and WorldPro

Sarasota, FL, March 23, 2006 – Red Moon Solutions LLC, a premier provider of specialty software solutions, recently announced that it assumed responsibility for product maintenance, customer support, renewal and billing for three of Vertex Inc.'s products. These products include Fixed Assets Manager (FAM), Like-Kind Exchange Matching (LKEM), and WorldPro, a solution that assists human resources personnel manage international work assignments.

“We are excited to continue to serve the outstanding clients of these top-notch products,” states Jim Shedivy, President, Red Moon Solutions and former senior Vertex executive. “The Red Moon Solutions team is dedicated to serving our clients by providing personalized support and increased product functionality. This renewed focus is just the beginning of great things to come from Red Moon Solutions,” adds Shedivy.

The transition of these products to Red Moon Solutions allows Vertex to focus their resources on improving the quality of their core Income Tax product. “Vertex has made a number of significant changes designed to focus our resources on improving the quality of our core Income Tax product, delivering the IRS mandated e-filing functionality, and developing the tax data management and analysis tools we feel will bring critical value to your tax department”, comments Ed Wallace, VP, Business Development, Vertex Inc. “Red Moon Solutions and Vertex are working closely to ensure product continuity and a smooth and seamless transition,” continues Wallace.
