### Red Moon Solutions LLC Named ISV Partner of SAP® Business One

Red Moon Solutions Joins the SAP Partner Network to offer Fixed Assets Manager for use with SAP® Business One

**Sarasota, FL** – Red Moon Solutions LLC® today announced that it has received the status of an authorized ISV partner of SAP America, Inc., a subsidiary of SAP AG (NYSE: SAP) to offer Fixed Assets Manager™ (FAM) for use with SAP® Business One in the United States. SAP Business One is an affordable and easy-to-implement integrated business management solution for small and midsize enterprises. Over the next few months, Red Moon Solutions will work with SAP to achieve certification of the integration with SAP Business One. This partnership enables SAP Business One solution users to experience the power of Red Moon Solutions FAM via a seamless integration.

Jim Shedivy, President, Red Moon Solutions states, "SAP is a leader in providing business management solutions for small and midsize businesses. We are fortunate to partner with SAP to offer their clients a robust fixed assets management solution via Fixed Assets Manager."

#### Product summary

A one-time setup enables SAP Business One users to maximize the management of their fixed assets via FAM. Specifically, FAM offers the following functionality and benefits:

- Full-featured, top-end, easy-to-use depreciation system that can be used for accounting and tax purposes.
- A complete solution for creating fixed assets in SAP Business One, linking them into FAM and then creating monthly journal vouchers in SAP Business One based on FAM data.
- One-time set-up of asset data, which flows to FAM and back to SAP Business One.
- General ledger accounts from SAP Business One are tracked in FAM and any report can be used to display data based on the accounts.
- Easy-to-use interface – all bridge screens follow the SAP Business One interface layout.
